Dear parent / carer

At the start of the academic year, students in Years 7-9 were informed of the possibility of reward trips taking place at the end of the year to reward them for developing our positive reward culture. This will help them embrace our core values as they meet targets to enjoy a fun day to celebrate the year.

To participate in these rewards trip it will be necessary for students to complete the following criteria in two of the three terms (Autumn Term: September- December, Spring Term: January-April, Summer Term: April-end of June).

The following criteria is required.

- At least 97% attendance
- Fewer than 30 negative behaviour points
- Fewer than 5 lates to school

If a student does not meet the above criteria due to a known medical condition or illness, for which medical evidence is provided, Heads of Year may apply their discretion and still permit students to participate.

We launched the Reward Trip criteria in September and, since then, students have been tracking their own progress in passports that are used during morning tutor time. Using these passports, students have been given a visual idea of how they are doing weekly and adjusting/improving the following week.

We will be running three trips in the final week of the school year; taking place on **Monday 14 July 2025** with three selections available. These will be on a first come, first served basis with the trips ranging in price to help with family budgets.

Information regarding the venues will follow shortly after the Easter break.

Yours faithfully

Mr C Sinclair
Assistant Headteacher – Student Welfare
