

Email to parents

Dear parent / carer

Thank you to those students who have returned their work experience placement form.

We understand it is not always an easy task sourcing a placement; however, for those students yet to find a placement, we have extended the deadline to **Friday 25 April 2025**.

All forms are to be sent to your child's tutor. If you require a further copy, please ask your child to speak with their tutor. A reminder that work experience takes place across three days - **Wednesday 2 July – Friday 4 July 2025**.

Please do not hesitate to contact me on hayley.lawes@hessleacademy.com if you require any further information.

Kind regards
The Hessle Academy
